

NOTICE

Notice: 001/MAR/2020

Date: 19th March 2020

We are working from home.

This is to inform all concerned that following Government of India directives, we are working from home. The office will remain closed till further notice.

As a part of essential operation, our research farm (Broiler, Layer and Feed Plant) will remain operational and all activities inside farm premises will remain uninterrupted.

Additional biosecurity measures for **Farm and Feed Plant Premises** as directed, must be implemented strictly without any compromise.

No outside person will be allowed inside the **Farm and Feed Plant Premises** till further notice.
